

A MESSAGE FROM THE CO-HEADTEACHERS...

This week has been Assessment Week. This is not a favourite time for some of our children, but others see it as a challenge and a time to shine! Despite this week's academic focus, the School has also seen a great deal of creativity, fun and challenge, with School clubs in full swing, art projects underway, the Book Fair running and interschool sporting competition. We hope that you enjoy the small selection of photos in this Newsletter which give you a little taste of what has been going on.

The core value for March is 'Love'. We invite you to talk to your child about the following Bible passage linked to this value. *'I pray that you, being rooted and established in love, may have power, together with all the Lord's holy people, to grasp how wide and long and high and deep is the love of Christ, and to know this love that surpasses knowledge – that you may be filled to the measure of all the fullness of God.'* Ephesians 3 verses 17-19.

COVID UPDATE

We currently have cases of COVID in school in Years 3, 4 and 5.

Welcome to new TA, Miss Jennie Thorpe who joined us this week and who is working in Year 5.

INTERNATIONAL
WOMEN'S
DAY
#BreakTheBias

On Tuesday, the School marked International Women's Day. This year's theme was focused on challenging gender bias, discrimination and stereotyping, and discussions were had in classrooms across the School.

Thank you so much to those of you who attended our Book Fair. Thank you, too, to the parents who kindly helped man our check outs. We understand that those of you trying to purchase books at home online encountered some difficulties. This is something that we are addressing with Scholastic, the Fair organisers.

Your purchases have provided the School with over £600 in credit with which we can choose new books to restock our libraries.

Thank you for our support.

BENTLEY PHOTOGRAPHIC

Bentley Photographic visited the School yesterday to take Class photos. Your child will have brought home with them a ticket showing how you can view a proof and make a purchase.

TENNIS NEWS

Last Saturday, a number of our Year 2 and 3 children took part in a 'Red Doubles' Tennis Tournament at the Sennocke Centre in Sevenoaks. All of the pairs won matches and a lot of fun was had by all. We are reliably informed that the huge consumption of biscuits between matches helped play.

YEAR 1 EGG BOX ANIMALS

This week, Year 1 enjoyed designing their own egg box animals. This project was inspired by the book 'Egg Box Dragon' by Richard Adams. A big thank you to the Year 1 parents and carers who donated lots of egg boxes for the children to use.

NETBALL MATCH

Well done to our U11 Netball Team. This week they played against Anthony Roper School. At half time they were 6-1 down, but in the second half they upped their game and clawed back 5 goals in the next quarter. With some amazing play, and displaying real grit and determination, they team managed to achieve a 9-8 win. Impressive play girls!

EXTRAORDINARY EGYPTIANS DAY—YEAR 3

Last week, our Year 3 children enjoyed an 'Extraordinary Egyptians' day. In the morning, they took part in a variety of activities including writing in hieroglyphics, embalming and making perfume pots. In the afternoon a lavish feast took place with the children entertaining Queen Nefertiti and her court with plays and dances. The feast included bread, cheese, olives, dates, figs and grapes.

Our thanks to all of the Year 3 parents in helping to put together the children's stunning costumes and bold make up for the day. We are extremely grateful to the parent volunteers who were so generous with their time and enabled this special and informative day to take place.

YEAR R DINOSAUR DRAWINGS

Acorn Class recently enjoyed participating in an online 'Draw with Rob' session with the illustrator Rob Biddulph. They learnt to draw a dinosaur called 'Gregosaurus', which is a character from one of his books. The children worked incredibly hard, following Rob's guidance and drawing alongside him. The Early Years staff were all so proud of the children's amazing drawings, which are now displayed in their class gallery.

CLUBS

It has been so thrilling to have been able to reinstate School clubs this term. We know that the children are enjoying all of the wonderful extra-curricular activities on offer. Below, and on the following page, are photos of just a few of those Clubs.

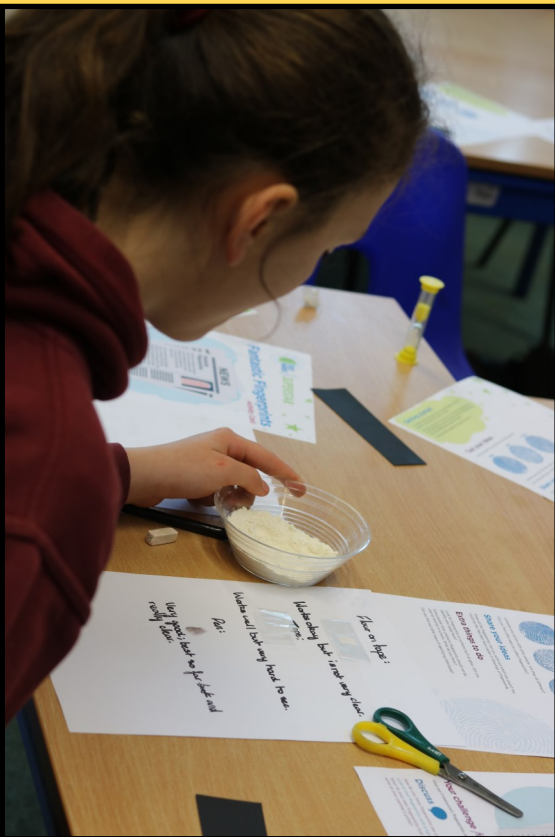

Clockwise from above: Cross Country Club, Senior Dance Club, Orchestra, Football Club and Knitting Club

CLUBS—CONT'D

Clockwise from above: Hockey Club, Creative Writing Club, Chess Club and STEM Club.
