

### A MESSAGE FROM THE HEADTEACHERS...

This week we have continued with our inter-house competitions. This is usually the domain of our older pupils, with children from the younger years supporting their fellow house mates from the side lines. Due to the ongoing need for the bubbles to remain distanced, we have extended the inter-house competitions across the KS2 year groups, with our Year 3 children, this week, wielding their hockey sticks. Watching the children across the School having such fun and enjoyment, it certainly serves to remind us all that we are living in a state of grace.

Our core value for March is 'love'. We invite you to talk to your child about the following Bible passage linked to this value. *'God's love has been poured out into our hearts through the Holy Spirit, who has been given to us.'* Romans 5 verse 5.

Wishing you all a very happy weekend. Don't forget to change your clocks tomorrow night!

With best wishes

Sharon Saunders and Lois

## FUN IN THE YEAR R GARDEN

Our Year R children have been having a wonderful time again this week, out in the garden in the beautiful sunny weather.

We have created an outdoor Investigation Station which, this week, focussed on bubble making. Each week the Investigation Station will provide the children with new ideas and different equipment.

We understand from the Year R staff that, early on in the week, it had been noticed that the dinosaur eggs that had been in the classroom had gone and that some dinosaur footprints had been left behind. As a result, a dinosaur look-out was created with tyres and tarpaulins.

As you can see, your many generous donations have been put to good use. Thank you!

## YEAR 4 'WHOOSH' DRAMA

Year 4 had some fun this week taking part in a "Whoosh Drama" about 'Beowulf'. They acted out this Old English epic poem and then wrote alternative endings to it.

No dragons or monsters were injured in the telling of this tale!

## PARENT CONSULTATIONS

Just a further brief reminder that an invitation to book your Parent Consultation meetings was sent out via Parentmail on the 18th March.

Please visit your child's Parentmail account for instructions, and ensure that you book your appointments by Monday of next week.

Thank you!

## IN THE LADY BOSWELL'S GARDEN

Some of our KS2 children have been busy in the Lady Boswell's garden this week, planting broad beans (picture left) and sewing carrot seeds (picture right).

## YEAR 2 ON SAFARI

Year 2 went on a safari adventure at forest school this week!

They saw leopards, zebras and buffalo and even heard the roar of a lion! Who knew that Knole Park was home for so many different creatures?

The children have been writing a travel journal this week and, inspired by this exciting trip, they will be writing about their safari experiences next week.

## INTER-HOUSE HOCKEY TOURNAMENT

On Monday, with the sun shining, Silver Birch 'bullied off' the Year 3 inter-house hockey tournaments. A captain for each house was appointed by picking a name out of a hat; they then took on the role of organising their teams and ensuring that everyone kept warm whilst off the pitch. There was some exciting game play with enthusiastic support from the side lines too. Special mention goes to Joe F who demonstrated some fantastic dribbling skills, and to Rory M who was determined to win every ball, showing amazing agility.

Following on, on Wednesday, Copper Beech took to the pitch. They were all extremely keen to get started but listened well to the pre-game instructions. There was some accurate passing by Adaś, speedy runs from Billy and some epic saves from Austin! Charlotte showed great sportsmanship, involving everyone in the game, and showed some awesome dribbling skills too.

The overall winners were Mont Blanc, but all houses performed well.

## OAK CLASS' FRIDAY DANCE

Last Friday, Oak Class children could be seen 'busting a move' in a dance class led by Mrs Rands-Webb.

## PARENTMAIL UPDATE

We are aware that, last week, a few parents encountered problems with the delivery of a few Parentmail messages.

Parentmail have now informed us that they have made an amendment to the way that messages are delivered. If you have downloaded the Parentmail App, then all messages will be delivered to you via the App. If you do not have the App then messages will be delivered to your registered email address. You will no longer receive correspondence on both platforms.

We hope that all of the glitches encountered during the migration to this new system have now been resolved.
