

VALUE OF THE MONTH: FORGIVENESS

We continue to offer you a Bible passage which you are invited you to discuss with your child:

'Repent and be baptised, every one of you, in the name of Jesus Christ for the forgiveness of your sins. And you will receive the gift of the Holy Spirit' Acts 2 verse 38

As ever, I very much hope that you are all keeping safe and well and that you are coping with the myriad of responsibilities and pressures that this lock down is placing on us all.

The eagle-eyed amongst you may have spotted the Cross of St. George decorating the home page of our website, as yesterday was St. George's Day. In this multicultural world, such a symbol of English nationalism seems very out of place, but in our current difficult and uncertain times I feel that this annual celebration of the English patron saint provides us with a great excuse to rejoice in all things English, especially the courage shown by a dragon-slayer! For some interesting information and fun things to do relating to St. George, please visit the English Heritage site below:

I wish you all a happy and healthy weekend; we look forward to being in touch with you all again next week.

Beautiful work girls!

Last week we were delighted to welcome Nyla to Sycamore Class. We published a warm and imaginative 'welcome' poster which had been created by Isabella H.

This is Nyla's response. Thank you Nyla.
