

# Farming for Orphans in Mozambique & LADY BOSWELL'S SCHOOL

Lady Boswell's School developed a partnership with FOM in January 2014. FOM is a mission delivered by Janet Phythian (a mission partner of St Nicholas Church and a member of 4OCC) through Africa Naturally, her farm, in Dondo, Mozambique. The FOM mission:

- To provide the children living in the orphanage with improved nutrition.
- To support Mountain of Praise Church (which runs the orphanage) by training and employing church members in Farming Gods Way (FGW) for food production for the orphanage and for their families.
- Equipping people for an abundant life in Christ.

We thank God for your hearts which are filled with compassion and love for those who are living in food poverty.

## The Worship Council Links

We greatly enjoyed spending time with both Tanneken and Janet this year at the Worship Council meetings. The Worship Council made the most of their time with our special friends and enjoyed hearing about the children in Mozambique. We presented the Book of Love to Janet which has been delivered to Mama Rego and the children. It is filled with prayers, letters and pictures of God's love to encourage our brothers and sisters in Christ.
