it happen

A message from the Co-Headteachers

As another rewarding and exciting school year draws to a close, we would like to extend our sincere thanks to our fantastic PTA Committee. This year has been particularly exciting as the Committee welcomed many new members, whose fresh ideas and energy have complemented the experience and guidance of those who have continued in their roles. Together, they have achieved an incredible amount, and we are immensely grateful for all they have done.

Their enthusiasm, dedication and hard work have once again delivered a wonderful programme of events, strengthened our school community and raised invaluable funds to enrich the experiences of all our children.

Our heartfelt thanks also go to every parent and carer who has supported the PTA throughout the year. Whether you attended an event, volunteered your time, donated or baked, your contribution has made a genuine difference. The success of the PTA is built on the generosity and spirit of our whole school community.

As you read this newsletter, we hope you enjoy looking back on another successful year of PTA activities and seeing the positive impact they have had across the School. Looking ahead, we are excited by plans to further enhance our outdoor learning and play spaces, creating lasting benefits for current and future pupils. These are significant projects that will take time to develop, and we are incredibly grateful that the PTA's ongoing fundraising will help turn these ambitions into reality.

The PTA is always delighted to welcome new volunteers. Whether you can offer a little time or a lot, every contribution is valued. No special experience is needed, just a willingness to get involved and support our school community. If you are interested in joining this friendly and dedicated team, we would encourage you to find out more.

Thank you, once again, to every member of the PTA for the vital role they play in the life of Lady Boswell's. We look forward to continuing our partnership with the PTA and our wider parent community as we build on this year's successes and create even more opportunities for our children.

With our sincere thanks and best wishes,

Hannah Pullen and Sharon Saunders

MATCH FUNDING

**DOUBLE
THE
IMPACT!**

WE NEED YOU!

We can double the funds raised
for our school with
MATCH FUNDING!!

WHAT IS MATCH FUNDING?

An increasing number of both large and small companies operate match funding schemes. These schemes 'match' charity fundraising carried out by their employees. This could be the fundraising total for an event, or for the stall that their employee is helping at. Many larger organisations set aside millions of pounds to support charities chosen by their staff.

WHAT WE'RE ASKING YOU TO DO...

Contact your Human Resources Department to find out if your employer has a match funding scheme, or if they are willing to match funds at one of our events.

If you know that the company you work for has a match funding policy, please do let us know — especially if you volunteered at the Summer Fair, or any other PTA event.
