

CONVERSATION STARTERS

- Ask your children to tell you about the sites they like to visit and what they enjoy doing online.
- Ask them about how they stay safe online. What tips do they have for you, and where did they learn them? What is OK and not OK to share?
- Ask them if they know where to go for help, where to find the safety advice, privacy settings and how to report or block on the services they use.
- Encourage them to help. Perhaps they can show you how to do something better online or they might have a friend who would benefit from their help and support.
